

Class Title: OFFSET WOODTURNING CLASS

Instructors: Jack Dohallow and Linda Serda

Prerequisite: Lathe 1, Lathe 2

Enrollment Limit: 3

Material: Provided, 3 turning spindles, and a pattern block to take home with you.

Tools: Gouge, Parting tool, Scraper. Bring your own favorites or use shop tools.

Description: Take an exploration into offset wood turning. You will be shown some different types and styles of spindle woodturning. You will be shown how to setup spindle turnings, 2 offset, with straight and a 90-degree twist. You will also look at 3 offsets with a 120-degree twist.

We look forward to providing you with tools to step up your woodturning to the next level.

Time Commitment: 3 hours

Fee: \$30
